

BABYLEAF ROCKET

BULWINKLE

BULWINKLE is a fast growing, serrated rocket (*Eruca*) with excellent presentation and long shelf life. An ideal substitute for wild rocket when growth is slow, **BULWINKLE** has a thick leaf and maintains its colour in the warm when many speedy types struggle.

BULWINKLE has an upright habit and grows in very uniform stands making for easy harvest. Although fast to mature, the leaves of **BULWINKLE** will remain within spec.

VARIETY FEATURES

- Mid-dark green colour
- Green stem colour
- Lobed leaf shape
- Serrated leaf margins
- Vigorous, erect growth habit

AGRONOMIC CONSIDERATIONS

- Maintains colour even in warm conditions
- Slow to bolt in Summer

PACK SIZES

1kg, 5kg, 10kg
