

CAPSICUM BULLHORN - FIELD TORO

A sweet red capsicum with a unique fruit shape that gives this capsicum its name, 'bullhorn', **TORO** produces large fruit with exceptional eating qualities.

TORO produces a tall and vigorous plant which has an erect habit with good leaf cover and excellent yield potential. Consistent fruit setting throughout the season contributes to a high overall yield. The attractive fruit turn a deep red at maturity and have good shelf life.

The information provided here is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions, including cultural/management practices, climate, soil type and geographic location. As a consequence South Pacific Seeds (NZ) Ltd cannot accept liability as to accuracy of this information.

VARIETY FEATURES

- 5-6cm x 20-25cm fruit size
- Bright red fruit colour
- Long pointed fruit shape

AGRONOMIC CONSIDERATIONS

- A hybrid variety

PACK SIZES

1M, 5M, 10M

DISEASE RESISTANCES

Intermediate Resistance: TSWV, PMMoV:1-2
