

HERB CORIANDER

CILANTRO

CILANTRO is a commodity line for producers who value the economic benefits of this variety over quality of type.

The established market standard for coriander production, **CILANTRO** is widely grown under many different production environments with excellent results. A slower bolting type which is aromatic with good flavour, **CILANTRO** produces tall, erect plants of good colour.

VARIETY FEATURES

- Dark green leaf colour
- Medium to broad leaf
- Vigorous and erect plant habit

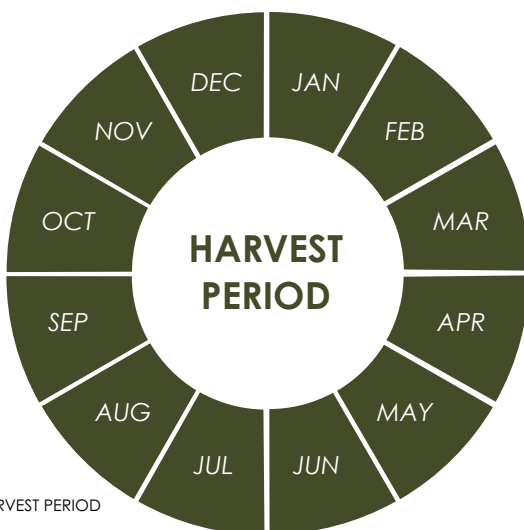

AGRONOMIC CONSIDERATIONS

- Suitable for open field or hydroponic production systems

PACK SIZES

100G, 1KG, 5KG
