

# MICROGREEN ELEKTRA

**ELEKTRA** is a high quality red kale for microgreen production which produces a vibrant red leaf with a high gloss finish. Delicate heart shaped leaves are a key feature of this variety.

**ELEKTRA** is high yielding and is a beautiful garnish that ticks the many recognised health benefits of a kale.

**ELEKTRA** produces a mild brassica flavour.

## VARIETY FEATURES

- Bright red cotyledons
- Heart shaped leaf
- Mild brassica flavour

## PACK SIZES

500G, 5KG, 10KG

## Untreated seed

All our microgreen seeds are untreated.

The information provided here is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions, including cultural/management practices, climate, soil type and geographic location. As a consequence South Pacific Seeds (NZ) Ltd cannot accept liability as to accuracy of this information.
