

GAILAAN TAKAI

TAKAI is a hybrid Chinese broccoli (gailaan) with semi-spreading, dark green leaves and white flowers.

While **TAKAI** is best suited to warm conditions it offers the vigour required to push through the cooler months when conditions are unfavourable.

TAKAI produces thick stems and uniform leaves that present well when bunched.

A high yielding variety, **TAKAI** is a vigorous plant with thick stems.

VARIETY FEATURES

- Good holding
- Vigorous plant
- A white flower variety.

HYBRID VARIETY

PACK SIZES
