

LETTUCE LOLLO BIONDA

COUNTESS^{Nr}

COUNTESS is a medium-to-large sized Lollo Bionda lettuce suitable for year-round production.

With more vigour than Jester, **COUNTESS** will suit growers who need slightly more size in the cooler months but who prefer Jester for the warm.

COUNTESS has slightly less curl in the leaf tips than Jester when viewed side by side. **COUNTESS** shows strong bolting tolerance in late-spring/early-summer and consistently presents highly uniform heads.

The leaves of **COUNTESS** are thick and crisp providing extended shelf life for sleeved heads.

COUNTESS has a strong disease package with full mildew cover (Bl. 16-40) and is Nasonovia resistant.

HARVEST PERIOD

The information provided here is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions, including cultural/management practices, climate, soil type and geographic location. As a consequence South Pacific Seeds (NZ) Ltd cannot accept liability as to accuracy of this information.

VARIETY FEATURES

- Light green colour
- Medium-to-large head size
- Medium vigour.

AGRONOMIC CONSIDERATIONS

- Suitable for field production and hydroponic systems
- Strong tolerance to tip burn
- Strong tolerance to bolting.

PACK SIZES

1M, 5M

DISEASE RESISTANCES

High Resistance: Bl:16-40, Nr:0
