

ZUCCHINI GREEN

CORTEZ

CORTEZ is a highly vigorous zucchini which produces a high yield of dark green fruit.

CORTEZ has an open habit, enabling easier harvesting. With a superior disease resistance package, the plant keeps producing when conditions are tough.

CORTEZ has good fruit-setting ability and the plant will keep producing towards the end of the crop cycle. Fruit remain straight and uniform throughout the production period.

VARIETY FEATURES

- Medium-to-dark green
- High yield
- Straight fruit
- Open plant habit, enabling easy harvest.

AGRONOMIC CONSIDERATIONS

Strong against powdery mildew.

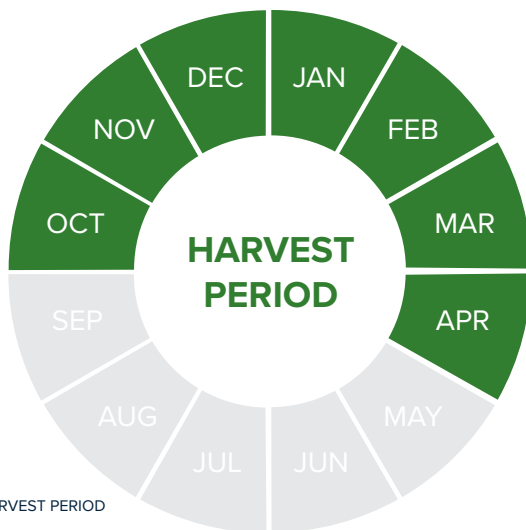

HYBRID VARIETY

PACK SIZES

1M, 5M, 25M

HARVEST PERIOD

DISEASE RESISTANCES

Intermediate Resistance: PM, ZYMV, PRSV, WMV, CMV

The information provided here is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions, including cultural/management practices, climate, soil type and geographic location.
