

TOMATO MINI PLUM SUNSTAR

SUNSTAR is a yellow grape tomato with good flavour and good yield potential. Fruit produced by this variety is slightly unique with an elongated, tapered shape of 13-15gram.

High brix of > 9 can be expected at maturity.

SUNSTAR'S plant habit is generative and has good cover and strength with good fruit attachment.

We recommend pairing this variety with a high vigour rootstock to achieve best results. This variety is ToBRFV resistant.

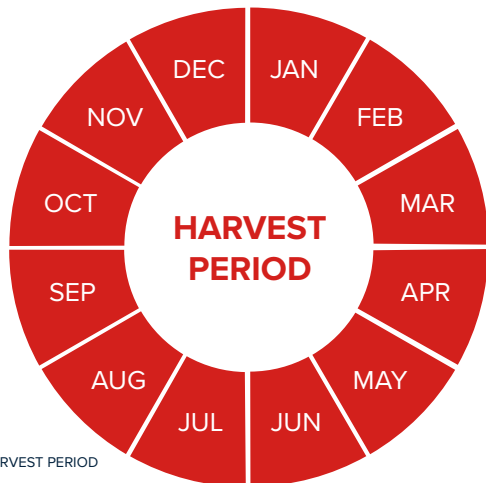

VARIETY FEATURES

- Yellow fruit colour
