

HERB BASIL

BELLISIMO

BELLISIMO is high quality basil that is suitable for both potted and cut production. **BELLISIMO** produces uniform leaves throughout the entire plant which are dark green in colour and offer high aromatic qualities.

Short internodes are a key feature of this variety creating a compact and robust plant suitable for the rigours of transport.

High leaf numbers with good leaf thickness means **BELLISIMO** is a high yielding variety and can be grown year round.
