

TOMATO MINI GRAPE

SAIKO STAR

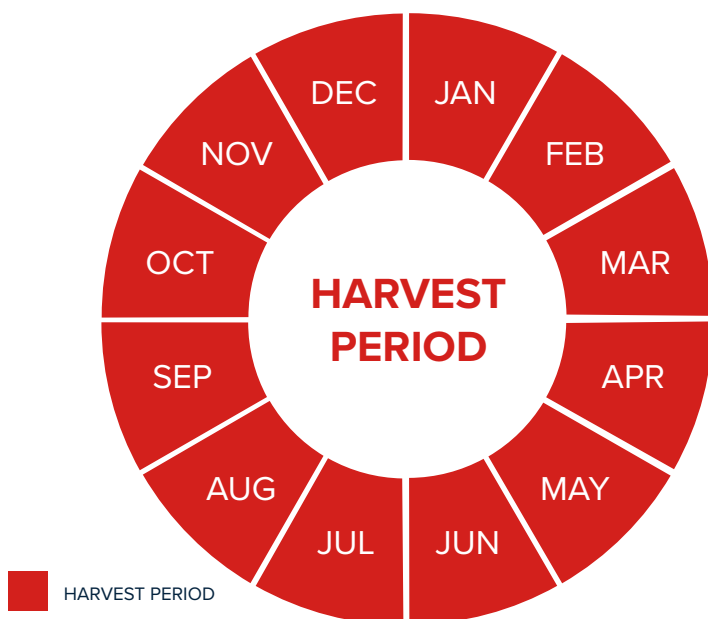

SAIKO STAR is a mini plum tomato for loose production in active houses.

SAIKO STAR produces vibrant, glossy fruit, 12-14 grams in weight with a firm bite and pleasant balance between acid and sugars.

SAIKO STAR has intermediate resistance to ToBRFV and produces an open plant that has mid-strong balanced growth.

Growers can expect high and competitive yields from this variety due to fork truss production and strong fruit setting ability.
